Popular Topics of the Day.

Honolulu has as many machinists considering the population as any place we know of—and they're good machinists too, men who can take a steel rod and with the assistance of a lathe fashion it into parts for the most intricate machinery for an engine. To do this, of course, requires a knowledge of tools as well as the handling of them.

In our store room one department contains the most complete assortment of machinists' tools in the city. Look at them and you will find they are all of first quality (the price will give you the impression that they are thirds) every one of them shining like an African's heel. The assortment consists of hammers—all sizes and shapes from the cute little one used by the jewellers to the heavy one which the boiler maker uses in riveting the steel plates together. Then we have the Handy Pipe Wrench, a new device without a fault. This tool will be found a convenient one even in the house where none of the occupants are machinists. Hand vises for machinists can be had of us in every size manufactured, so can Pipe Vises and Cold Chisels. We have every thing used by metal workers in their trade.

Then we have a stock of carpenter's wood working tools second to none in the city—first only in quality. You cannot call for a tool used by a carpenter that we do not have in stock. Another thing you may be interested in is an axe that will hold its edge—a new thing in axes and something every one needs about the house.

Bird cages have been mentioned in another paper, just here we will say that the stock we carry is complete.

DESCRIPTION AND TERMS:

CREOLE is the gamest, fastest and best bred stallion that has ever been imported into the Hawaiian Islands. He reduced his record of 2:20 to 2:15 in Palamau, Cal., August 24, 1894, distancing his whole field in the first heat, then again to 2:15 in stockton, Cal., September 23, 1894, winning the first heat in 2:15, fourth heat in 2:15, and fifth heat in 2:19, proving that he is a remarkably game and well as a speedy race horse. ("Creole" by Prompter out of Grace by Buccaneer shows that he is capable of getting a mark of 2:10 and is one of the gamest stallions seen this year, and besides being game, is one of the best formed, and remarkably intelligent. "Breeder and Sportman," Sept. 25, 1894.) He is 15 1/2 hands high and of powerful build throughout. His color is glossy black with one white hind foot. His disposition is all that could be desired, and his action superb. He is a sound foul getter.

Terms \$50, with usual return privilege. Will make the season at the
